Easter Seal Drive Now In Progress

The 1965 Easter Seal Campaign, for the benefit of thousands of crippled children in Kentucky, will be held March 1 through April 18, Easter Sunday.

Funds raised in the annual appeal sponsored by the Kentucky Society for Crippled Children help support a state-wide program of services, ranging from hospitalization and outpatient therapy to summer camping at the state's only residential camp for the physically handicapped.

This year 450,000 letters containing Easter Seals will be mailed to residents in all 120 Kentucky counties. In addition to the mail appeal, volunteer workers throughout the state

plan to hold special events to support the Society's programs. "This year's appeal is one of the most important in the 42 year history of the Kentucky Society for Crippled Children," Dr. Kelly Thompson, Bowling Green, state campaign chairman, said.

"The reason is as simple as this — the number of crippled children and adults increases every year, and in direct ratio, so does the need for more money to give them care and treatment."

Last year the Society served 3559 Kentuckians — 3180 of whom were children, reported Dr. Thompson.

"They included accident victims, children with birth defects, and those who had been disabled by such diseases and polio and cerebral palsy," he said. "No other private agency in Kentucky provides so wide a program for those crippled by so many causes."

Dr. Thompson, who headed the drive last year, is president of Western Kentucky State College.

Hopper Announces Candidacy For State Representative Office

Mr. Lewis A. Hopper, of Hazard, has announced his candidacy for the office of State Representative on the Democratic ticket in the Primary Election May 25, 1965.

Mr. Hopper received his AB Degree from Morehead State College and his LL.B. Degree from the University of Louisville. He practiced law in Harlan for five years before coming to Hazard in 1938. Mr. Hopper

is now in the real estate and coal business in Hazard.

He is married to the former Elizabeth Harbix and they have two children, Lewis Winston and Vera Faye Hopper.

If elected, Mr. Hopper pledges his support to the betterment of Perry County.

Association Plans Clinic March 2

The Three Forks Baptist Association will conduct their annual Evangelism Clinic on March 2 at the Airport Gardens Baptist Chapel beginning at 6:30 p.m.

Members and visitors from the fifty-one churches and missions of the association may participate in the Clinic. The Clinic will be under the direction of Rev. Archie Everage, Chairman of Evangelism for the association, and assisted by Rev. Charles N. Wilcox, the association's Missionary.

The closing message will be delivered by Rev. Ross Figart of the Petrey Memorial Baptist Church.

Hazard High School Cheerleaders

These Hazard Cheerleaders will be leading the cheering for the Bulldogs in their first game of the 54th District Tournament Friday night when they meet the winner of the Buckhorn-Leatherwood game. The tournament, which will begin Wednesday night when Leslie County meets M. C. Napier, will end Saturday night when the championship game will be played. The cheerleaders are, left to right, Lucy Carol Johnson, Shawnee Dix, Janie Miller, Dawn Reynolds and Donna Lawson.

Jacqueline Collins Accepts Position

Jacqueline Collins, daughter of Sarah and the late Walter Collins of Buckhorn, has assumed a position as Medical Technologist at St. Anthony Hospital in Louisville, Kentucky. She is head of the hematology department.

Jackie, who lives in a wheelchair as a result of polio in 1953, was graduated from Buckhorn Grade School, Benson High School in Omaha, Nebraska, and was awarded the Bachelor of Science Degree from Buchanan College in Omaha. Her internship in Medical Technology was taken at Bishop Clarkson Memorial Hospital, also in Omaha.

Miss Collins says her main desire is to return to her home town.

Jacqueline Collins

One Youth Killed, Two Injured In Accident At Hall Friday

One Floyd County youth was killed and two companions were injured in an automobile accident at Hall in Knott County Friday afternoon.

William Roll Of UK Faculty Dies At Age 63

William H. Roll, 63, an associate professor of engineering at the University of Kentucky, died of a heart attack yesterday at Central Baptist Hospital, Lexington.

He was the brother of Mr. Elmer Roll, of Hazard.

A mining engineer, Roll was superintendent of the old Harvey Coal Company in Hazard from 1924-1941. Then he became production manager of the Jefferson Island Salt Mining Company in Louisiana. In 1948 he joined the Kentucky Department of Mines and Minerals in Frankfort and in 1955 the U.K. faculty.

His widow, Mrs. Kathryn Roll, survives.

The funeral will be at 1:30 p.m. Monday at W. R. Milward Funeral Home on North Broadway.

Paul E. Blevins, 19, of Weekshury was riding in an auto driven by James Campbell, 18, of Weekshury that, according to Kentucky State Police, was traveling too fast for road conditions.

According to Police the 1964 model auto spun out of control, dropping over a 12 foot embankment and skidding backwards about 45 feet into a creek.

Blevins was riding next to the right front door. The door came open when the car started over the embankment catching Blevins and crushing him.

Campbell and 17 year old Marvin Little of Bypro, were injured and taken to a hospital.

According to Police reports, the seat belts that were in the auto had been taken loose for a wash job and were in the back seat at the time of the accident.

The accident happened around 3:20 p.m. about 7 of a mile from Hall on Kentucky 7 in Knott County.

2 Homes Destroyed, 3 Damaged by Fire In Vicco Saturday

Two homes were completely destroyed and three badly damaged by a fire in Vicco early Saturday morning. This was the first major fire in Vicco in over a year.

The fire started from a faulty flu in the back room of the home occupied by Mrs. Ella Bressler and spread to a nearby dwelling occupied by Mr. and

Mrs. Mitchell Johnson and family. Mrs. Bressler was unable to save anything, but Mr. Johnson succeeded in saving about half of his household possessions. Both houses were owned by Melvin Ward.

The three houses damaged were occupied by Ida Watts, Orvis Campbell and Andy Vesco.

A pumper from Martin's Department Store fought the blaze for two hours before bringing it under control. The Whitesburg VFW Volunteer Fire Department came to Vicco, but the fire was under control when they arrived. The Hazard Fire Department was called, but could not leave the city limits.

Vicco residents are making plans to have their own volunteer fire department in the near future. According to a Vicco spokesman, the residents of Vicco have also decided to work towards getting a city water plant, which is badly needed in an emergency such as the fire.

The people of Vicco extended their thanks to the Whitesburg VFW Volunteer Fire Department for offering their help.

Post Office Plans Meeting Tuesday

On Section Centers

Mr. Charles Cornett, Postmaster, Hazard, Kentucky, announced today that there will be a meeting of all interested parties to be held March 2, 1965 at 3:00 p.m. at the Kentucky Power Company Auditorium concerning the establishment of sectional centers in Ky.

The Post Office Department has determined that in order to convey to the public the sectional center program, they are inviting all interested parties to this public meeting.

The Regional Director, Mr. Joseph P. Nolan, with headquarters in Cincinnati, has informed this office that he is sending Mr. William J. Rahter, assistant to the Regional Director, Mr. Charles N. Scott, Chief Highway Transportation Branch, and Mr. John Santen, local Postal Service officer, to Hazard to explain fully the advantages of DISTRIBUTION and TRANSPORTATION involved in the new process that will be established in all of our offices by June 30, 1965.

The Regional Director, Mr. Joseph P. Nolan, with headquarters in Cincinnati, has informed this office that he is sending Mr. William J. Rahter, assistant to the Regional Director, Mr. Charles N. Scott, Chief Highway Transportation Branch, and Mr. John Santen, local Postal Service officer, to Hazard to explain fully the advantages of DISTRIBUTION and TRANSPORTATION involved in the new process that will be established in all of our offices by June 30, 1965.

Clean-Up Dinner To Be Held In Hazard Tonight

The dinner to launch the Perry County clean-up campaign will be held tonight at 6:30 p.m. at the Roy G. Eversole Elementary School.

The public is invited to the dinner. Tickets are \$1.50 and may be purchased at the door.

Council Reschedules Meeting At Buckhorn

The special meeting of the Buckhorn Community Council, which was set for Tuesday, March 2, has been rescheduled for Wednesday, March 10, at 6:30, at the high school cafeteria.

This meeting will hold interest for everyone, so all Buckhorn residents are urged to attend.

Shown above is the Whitesburg VFW Volunteer Fire Department's truck brought from Whitesburg to help fight the fire at Vicco Saturday morning. The fire was under control when Whitesburg's truck and crew arrived, but they stayed to see that the fire was under control before returning home. The citizens of Vicco are planning to organize their own Volunteer Fire Department in the near future.

Martin's Department Store's pumper fought the fire at Vicco for two hours Saturday before bringing it under control. Without this truck, which is the only fire fighting equipment Vicco has, the fire would have destroyed the nearby houses and would have spread to the business district. This is the first major fire in Vicco in over a year.

President Addresses Younger Generation

LEXINGTON, February 22—President Johnson, addressing himself to the younger generation, said today "your task is different and more difficult than any that have gone before."

"It is our central task to make this world serve to enrich the dignity and the value of the human being," Johnson said in a speech prepared for a Founder's Day Centennial convocation at the University of Kentucky.

Johnson made only fleeting reference to foreign problems, devoting all of his remarks to what he called "the great transcendent issues which affect the life of nearly every human being on this planet."

In his only reference to foreign policy, Johnson said:

"We cannot, and will not, withdraw from this world. We are too rich, too powerful, and too important. And we are too concerned."

Saying that the younger generation — those under 25 — constitute the world's majority, son said:

"We will do this not through riches . . . power or comfort. You will find meaning only by sharing in responsibilities, the dangers, and the passions of time. A great American (John F. Kennedy) told us to ask what we could do for our country. By asking, you will not only help others, but you will be giving purpose to your own life."

"Think of how much there is to do. You must rebuild the cities of America and rescue the countryside from destruction. You must wipe out poverty and eliminate racial injustice. You must labor for peace and freedom and an end to misery all around the world."

"The great society will offer you the chance to do this work. It does not promise luxury and comfort and a life of ease. It does promise every American a chance to enrich his spirit and share in the great common enterprise of our people."

"Your energy and your sac-

rifices are needed. It is our job to tap those resources and help provide the chance to serve."

Johnson outlined the various programs in which he said volunteers are needed, starting with the Peace Corps and including volunteers in the war against poverty, women to help deprived children prepare for success in school, community action programs in every community in an effort to wipe out poverty and restoration and protection of beauty in America.

The more than 11,000 members of the Kentucky Association of Farm Education have labor earnings from their supervised farming programs last year exceeding \$1,643,596.00.

JEFF

Miss Blair Hosts Pizza Party Friday; Proceeds From Bake Sale Total \$77.00

By Mrs. Ivory S. Wooten

The Dilce Combs Science Club recently held a talent show and bake sale at the school. The proceeds were \$77.00 and will be used to help defray expenses of a trip to the Atomic Energy Center at Oak Ridge, Tennessee, later this spring. Teachers supporting these young people are Mrs. Marvin Combs, Mr. Winston Fields and Mr. Robert Loutens.

The following students took part in the talent show: Fanna Lee, Shannon Lee, Ronnie Browning, Edan Ritchie (played guitar and sang), Ronnie McGraw, Gary Craft, Glenn Noe, Donna Wooten, Marcelle Branson, Sharon Combs, Peggy Combs, Sandra Campbell, Paul Paulsen, Sharon Browning, Gloria Hall, Howard Dean Little, Christine Hill, Larry Fields and Clyde Hurt.

Mrs. Gladys Browning played the piano and helped with the bake sale. Two members of the club wish to say thanks to everyone who helped in any way.

Mr. Marvin Combs, a student at Cumberland College, visited his wife and children last week.

Mrs. Felix Wooten of Louisville visited her mother, Mrs. Ann Collins, and sister, Mrs. W. T. Francis last week.

Frank Collins of Newport News, Va., is a guest of his mother, Mrs. Collins, and sister, Mrs. W. T. Francis.

Our sympathy goes out to Mr. Billy Riddle and family in the death of his brother, Mr. Barley Riddle of Cincinnati.

Measles and mumps are causing some absences at the Ro-

bert W. Combs school.

The Robert W. Combs P.T.A. is making an effort to get a standard library for the school. Approximately 200 new books are on the shelves and more are ordered.

Donations of money or suitable books are being solicited. Why not give any amount appreciated to this worthy cause?

Perhaps you would like to dedicate a book in fond memory of some loved one. Donations may be made to P.T.A. and sent to the school or president Mrs. Beulah Elmhurst at Jeff.

Miss Pauline Blair of Viper entertained with a pizza party at the home of her parents Friday night. Attending were: Pauline Blair, Peggy Combs, Sue Trent, Frances Caudill, Douglas Atkins, David Hatfield, Tommy Wooten and Elijah Harvey.

Published as a public service by this newspaper.

COUNTY AGENT'S NOTES

To Improve Soil Structure Add Organic Materials

Paul Keen — County Agricultural Agent

A good garden soil is capable of producing large yields of high quality vegetables. It is 10 to 12 inches deep and can hold large amounts of water, but drains quickly after a rain. It is easily prepared into a good seedbed and remains in a crumbly condition throughout the growing season. It will warm up quickly in the spring and yet not become too hot in the summer. It is well supplied with plant food and has an abundance of organic matter.

A soil such as this is built or kept up by supplying manure or other organic materials such as compost, rotted leaves, straw or a good cover crop 6 to 8 inches high each year. A 2-inch covering of one of the materials mentioned above will supply enough humus. None of them will supply all the plant food needed. If manure is used, apply 500 pounds of 20% superphosphate per acre. Apply 1,000 pounds of 5-10-10, 6-12-12, or 4-12-8 fertilizer per acre, when other organic materials or cover crops are used. (2½ pounds of fertilizer per 100 square feet).

SOIL MANAGEMENT — Improve soil structure by adding organic materials. The materials increase the soil's water-holding capacity, but at the same time improve drainage. Don't destroy the benefits derived from the addition of organic matter by plowing or working the soil when it is too

wet. Protect soil from erosion with cover crops or by plowing and leaving in the rough until seeds are to be planted. Rains may wash away the most valuable portion of the soil if it is not protected during winter.

We suggest you pick up the following bulletins at your county Extension office, located under Hazard Post Office.

1. Home Gardening for Better Living.
2. Safe Planting Dates for Vegetables in Kentucky.
3. Managing the Home Garden.
4. Home Garden Calendar for Kentucky.
5. Recommended Vegetables Varieties for Kentucky.

Remember! The quality of the garden soil determines the quality of the vegetables you eat. Feed the soil well, and it will feed you well.

Feed Grain Program

Farmers desiring to participate in Feed Grain program should make application at local ASC Office on High Street immediately. The sign up period for 1965 began on February 8 and ends on March 26th.

In order for a farmer to qualify for a payment a feed grain base must be established. The feed grain base for a farm is average acres in corn for crop years 1959 and 1960. Information on feed grain base and payment per acre for a farm can be obtained at local ASC Office. Acres taken out of corn

must be seeded to grass. The government will cost share most of cost of seed and fertilizer.

ASC Cost Sharing Practices — Applications must be made at ASC Office before practice is started in order to be eligible for cost sharing.

Some of the more common practices of interest are as follows:

Setting tree seedlings \$16.00 per acre. Seedlings cost \$8.00 per acre leaving landowner \$8.00 per acre for labor for setting seedlings. There is also a payment of \$12.00 per acre for site preparation for setting seedlings, if needed. Another forestry practice in which cost sharing is available is forest stand improvement.

Other practices in which cost sharing payments are available are seedling permanent pastures; cleaning up land for pasture; wells for livestock water; developing springs for livestock; ponds for livestock water or for wildlife; tile drainage, and etc.

Farmers desiring to participate in ASC cost sharing practices can get information on amount of payment and specifications at local ASC Office. Applications should be made immediately.

This factual comparison is presented for your consideration as the hour approaches when your Congressman and Senators will be asked to vote on a most vital issue: Whether to provide limited health care for all the elderly, or to provide more extensive care for people 65 and over who need help in financing the expenses of hospital and medical care. Please read, then let your representatives in Washington know your views.

COMPARE

ELDERCARE

Herlong-Curtis ELDERCARE Bill (HR 3727)

What are the provisions?

- ELDERCARE would provide for hospital and nursing home charges.
- ELDERCARE would provide for drugs in and out of the hospital.
- ELDERCARE would provide for Physicians' care.
- ELDERCARE would provide for Surgical costs.

Who would be eligible?

Those over 65 who need care and cannot pay for it would be eligible. The lower the income, the more financial help an elderly person would receive. People over 65 would qualify before illness strikes—merely by submitting a simple statement of income similar to that given by a person when opening a department store charge account. There would not be any "welfare" type investigation. ELDERCARE would assure the elderly person free choice of physician, hospital, and nursing home.

How would ELDERCARE be financed?

By federal and state funds through a program that already exists. ELDERCARE would not require a new payroll tax.

MEDICARE

The name by which the King-Anderson Bill (HR 1) is generally known

What are the provisions?

- MEDICARE would provide for hospital and nursing home charges.
- MEDICARE would not provide for drugs out of the hospital.
- MEDICARE would not provide for Physicians' care.
- MEDICARE would not provide for surgical costs.

Who would be eligible?

All persons over 65 would be eligible for Medicare, including the wealthy and the well-to-do. By applying Medicare to everyone, the help that any given individual would receive would be much less than if some method of selection based on need were used. It has been estimated that this widespread approach would cost today's taxpayers thirty five billion dollars merely to pay for the limited care the elderly now over 65 would need during the rest of their lives.

How would MEDICARE be financed?

MEDICARE is a tax plan and would require a new payroll tax. This would hit hardest those least able to pay. The \$5,600 a year worker would pay as much tax as the \$56,000 a year executive.

When seen in light of the above, Medicare is not an "end all", "do all", "be all". It would only provide for limited care, would be very costly to implement, and would be increasingly costly to maintain. We must not learn this the hard way!

THE PHYSICIANS OF KENTUCKY—THE PEOPLE WHO CARE FOR THE ELDERLY—ARE AMONG THE SUPPORTERS OF ELDERCARE. THEY BELIEVE THE DIGNITY AND RIGHTS OF ALL INDIVIDUALS ARE BEST SAFEGUARDED BY THE HERLONG-CURTIS ELDERCARE BILL (HR 3727).

Please write your Congressman and Senators TODAY. Ask them to vote for The Herlong-Curtis ELDERCARE Bill (HR 3727).

YOUR CONGRESSMAN IS (BY DISTRICT)

KENTUCKY MEDICAL ASSOCIATION

Perry Garden Club Meets at Davis Park

The Perry County Garden Club met at the Bobby Davis Library on February 23 at 2:15 o'clock. Mrs. Harold Sigmon introduced Mrs. D. R. Compton, who talked on Flemish flower arrangements.

Mrs. Compton displayed a number of her flower compositions and explained how she had produced them. To start with she had used plastic artificial flowers to which she applied a thin coating of varnish and a little gold mixed in, a gold spray, delicate tints of Treasure Jewel paints or oil paints mixed with white enamel or semi-gloss.

Mrs. Compton sometimes begins an arrangement by painting the separate flowers with which she will compose it, but more often she places all the flowers in styrofoam in the container and then, using a long-handled brush, applies the paint and varnish to the ensemble. Mrs. Compton advises using very thin varnish or paint so the flowers will not peel or chip. She often uses two or three coats, letting each coat dry before she applies the next.

one. When she uses gold spray from the can, she stands four or five feet away. She thins 1/8 teaspoon of Treasure Jewel with one tablespoon of turpentine.

Some of the outstanding arrangements which she exhibited were: blue spider chrysanthemums and sweet peas in a pottery container of the same shade; red rose buds edged with antique gold in an old perfume bottle; aqua, sapphire, and old rose magnolias in an urn; dogwood in various pastel tints; and chrysanthemums, anemones, and roses touched up with gold and silver.

The business was conducted last. Mrs. Gene Parker read the minutes; Mrs. Alva Hollon, the treasurer's report; and Mrs. Chalmers Lindon presided over the meeting.

Mrs. Gene Combs, Chairman of the Clean-up Committee, which operates under the P. C. D. A. reported on the progress and plans of her committee. The City Council has designated the old city dump as the place where old cars and debris may be brought. A dinner meeting will be held at the R. G. Eversole School tonight for all groups interested in the success of the Clean-up Campaign. A bus trip was held this afternoon to call attention to the condition of the county roads. The Garden Club is urged to sponsor a project to name the filling station of the month and the lawn of the month throughout spring and summer to encourage operators and families to beautify their premises.

After Mrs. Frank Medaris showed two attractive small dried arrangements in glass candy jars, Mrs. Lindon announced the next meeting would feature Hazard gardens on slides, and the meeting adjourned.

Members present were: Mesdames Don Ward, A. N. Peters, Howard Johnson, Gene Parker, Chalmers Lindon, Richard Johnson, Paul Petrey, Alva Hollon, Edgar Purdon, T. E. Moore, Frank Medaris, John Green, L. H. Wagers, Henry Spalding, Courtney Wells, Dana Snyder, Gene Combs, Claude Creech, and Miss Elizabeth Griffy.

Calendar of Events

MARCH 8-14

W.M.U. of the Lothair Baptist Church is having a week of prayer for home missions the week of March 8 through the 14th from 1 to 2 p.m. in the afternoon. Everyone is welcome.

Mrs. Napier Hosts Golden Circle Class Meeting

The Golden Circle Sunday School Class met at the home of Mrs. Lucinda Napier at Tribbey for their regular monthly meeting.

The business meeting was called to order by president Eleanor Sage. Faye Anderson gave the opening prayer.

The class has now combined their class meeting and circle meeting together.

The devotional will be given from the Royal Service every month.

The class voted on new officers for the new year. They are: President, Irene Roll; Vice President, Pat Moore; Secretary and Treasurer, Darlene Burke; Flower Fund, Earnestine Arnold; Publicity, Glenna Williamson.

After the business meeting the Devotional was given by Geneva Sizemore and Glenna Williamson on "Applying Christian Principles."

Those present were: Mrs. Irene Roll, Faye Anderson, Janice Gross, Earnestine Arnold, Geneva Sizemore, Eleanor Sage, Virginia Oaks, Darlene Burke, Glenna Williamson, and the hostess, Lucinda Napier. There were three guests, Georgia Sure, Nell Combs and David Williamson.

The next meeting will be held the third Tuesday in March at the home of Mrs. Virginia Oaks in Walkertown.

Gullett Pledged To Fraternity At Centre College

Asa Pieratt Gullett, III, of Hazard, has been pledged to Beta Theta Pi national social fraternity at Centre College in Danville, Ky. Centre has six fraternities, each with a chapter house on the campus.

Gullett is a son of Mr. and Mrs. Asa Gullett, Jr., of 202 Cedar Street, Hazard, and a 1964 graduate of Hazard High School. There he was a member of the Beta Club, active in debate, a finalist in competition for a National Merit Scholarship and won a Baker Scholarship to Centre.

Centre College, founded in 1819, is a four-year liberal arts college with a selective admissions policy. The school is now in the midst of a ten year development program, with eight buildings having been completed since 1960. Construction is to begin soon on a unique \$1,600,000 library instruction building to be known as the Grace Doherty Library. It will house Centre's main library, adjoining rooms to be used as both classrooms and additional reading rooms, and faculty offices.

B & P W Club Welcomes New Members

Orientation of New Members was the theme of the regular monthly meeting of the Hazard Business and Professional Woman's Club which was held at the V. F. W. Club on Monday evening, February 22nd.

Guests were welcomed by Mrs. Grace Strong, Club President who presided at the meeting.

A short resume of the life of George Washington was given by Mrs. Aileen E. Combs, a Past President of the Club.

Each sponsor of a new member introduced her guest and gave a short thumbnail sketch of her business life and presented each with a year book and certificate of membership. Mrs. Mary Lee Greer, past President gave a history of the Federation and Mrs. Pauline Beams, Vice President presented the programs and activities of the Club.

Attending the club for the first time as new members were Lydia Scruggs, Clercy C. Banks, Daisy Pendleton, Sharon Jackson, Sue Logan, Mae Smith and Virginia Baker. Mrs. Lydia Scruggs was the recipient of the door prize.

New members not shown in the picture above are Shirley Isom, Evelyn Levison, Gladys Stallard, Elline Salyers, Alma Bradford, Katherine York and Anna Laura Boulis.

Founders Day Observed by P.T.A.

With Program in School Cafeteria

Founders Day 1965 was observed by the Walkertown P.T.A. Monday night, February 15th in the school cafeteria.

Mr. Johnny Calatari, president, turned the meeting over to Mrs. C. C. Lindon, chairman of the Founders' Day program, who presented Mrs. Cora Lee Cornett, 7th grade teacher in the school.

Mrs. Cornett had charge of the program as she spoke on the subject, "We Hold the Future in Our Hands," she gave a brief history of the organization of the P.T.A., and paid tribute to its founders, Alice McLellan Birney and Phoebe Apperson Hearst.

Quoting from the Book of Proverbs in the Bible and the Sanskrit language, Mrs. Cornett stressed that though our work today as parents and teachers, today's dreams become tomorrow's realities—Children Today leaders tomorrow.

The path the child takes depends upon early training in homes and schools. Our P.T.A. should strive to meet the children's needs and guide their development. Mrs. Cornett read the objectives of the P.T.A. in her talk. She also was in charge of the Founder's Day Candle Lighting Ceremony.

Each past president of the local P.T.A. was asked to stand and be recognized. Past presidents present were: Mrs. C. C. Lindon, Mrs. Herbert Haynes, Mrs. Allen Chelgren, Mrs. Robert Turner, and Mrs. Jim Gabard. Mrs. Mae T. Jarrell, past president of the 10th district, was also present.

After singing "Happy Birthday P.T.A." a gift offering was taken by the following eleven little girls: Kathy Barker, Ann Maggard, Susie Bridgewater, Karen Dixon, Deana Brashear, Jonell Basso, Peggy Watkins, Maxi Campbell, Judy Johnson, Janet Prater and Sissy Calatari, from the 1st and 2nd grades. The gift amounted to \$23.50. This gift is a free will offering, and is used to extend and improve.

COMMUNITY CALENDAR

MARCH 2

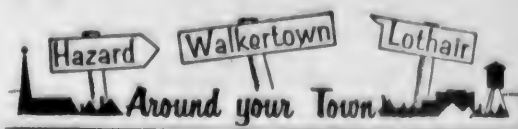

The Lucy Nicholson Circle of the First Baptist Church will meet Tuesday, March 2, at the church with Mr. Howard Smith presiding.

A potluck supper will be served at 6 p.m. The program will be given by Reverend T. H. Harding, Lester Baker and Wilham Nichols.

All members are urged to attend.

MARCH 3

Homemakers training school on table linens will be held Wednesday, March 3rd at 10 a.m. at Power Company Auditorium.

Phone Your Socials To 6-5114, Or 6-2095

Mrs. Bess Draughn is at the home of her daughter, Mrs. Earl Moseley, 613 Madison Street, Madisonville, Kentucky, where she will undergo surgery later.

Mr. and Mrs. J. O. Harper and Mrs. R. T. Baker returned Saturday after six weeks in West Palm Beach, Florida.

Mrs. Grace Sharp and her brother, Hubert Cornett, were injured in a car wreck Sunday near Viper. They were on their way to a funeral home in Hazard where their father, Dick Cornett, is lying in state.

Miss Doris Hall spent the weekend at her home in Mid-dlesboro visiting her aunt, Mrs. Shafter Hall.

Mrs. Margaret Mitchell received word today of the death of Mrs. Louise Proglia of Palm-dale, California, who died of a heart attack. Services will be held tomorrow at 10 a.m. at the Catholic Church there. Mrs. Proglia is a former resident of Lynch where she and her husband operated a boarding house. She is the mother-in-law of W. H. Mitchell.

Mrs. Dewey Daniel and Mrs. John E. Campbell were in Lexington.

Weather Affects Fishing Conditions At Kentucky Lakes

The frigid icy blast that is currently sweeping across Kentucky has brought to an abrupt halt what were good fishing conditions at most impoundments, according to the Department of Fish and Wildlife Resources.

Following are lake conditions prior to the weather interruption.

Kentucky Lake—Crappie good in inlets and bays on minnows at eight to 10 feet. Below Dam—Very little activity with some white bass and crappie caught on minnows and dogfish. Temperature 43, clear to murky and falling. Five gates are open.

Herrington Lake—Scattered catches of black bass by jigging nightcrawlers and casting deep running lures along deep banks. Temperature 44, muddy in the upper section and clear in the lower half.

Lake Cumberland—Black bass best by jigging minnows and nightcrawlers at three to five feet along deep banks. Fair take of crappie on minnows at three to 10 feet. Trout below the dam fair on cheese and worms. Temperature 41 to 46, clear, murky and muddy in the upper section and murky in the lower section.

Guist Creek—Temperature 43, murky to muddy and rising. Rough River—Scattered catches of black bass by jigging nightcrawlers. Temperature 43, murky, falling and seven feet above winter pool stage.

Nolin Reservoir—Some blacks by casting medium deep runners and jigging nightcrawlers along shallow banks. Temperature 45, clear to murky and stable.

Dale Hollow—Crappie best on minnows at eight to 10 feet along deep banks and over fallen trees. Blacks fair by casting medium deep runners and jigging minnows and nightcrawlers. Temperature 44, clear to murky and rising.

Wear Imperial with pride!

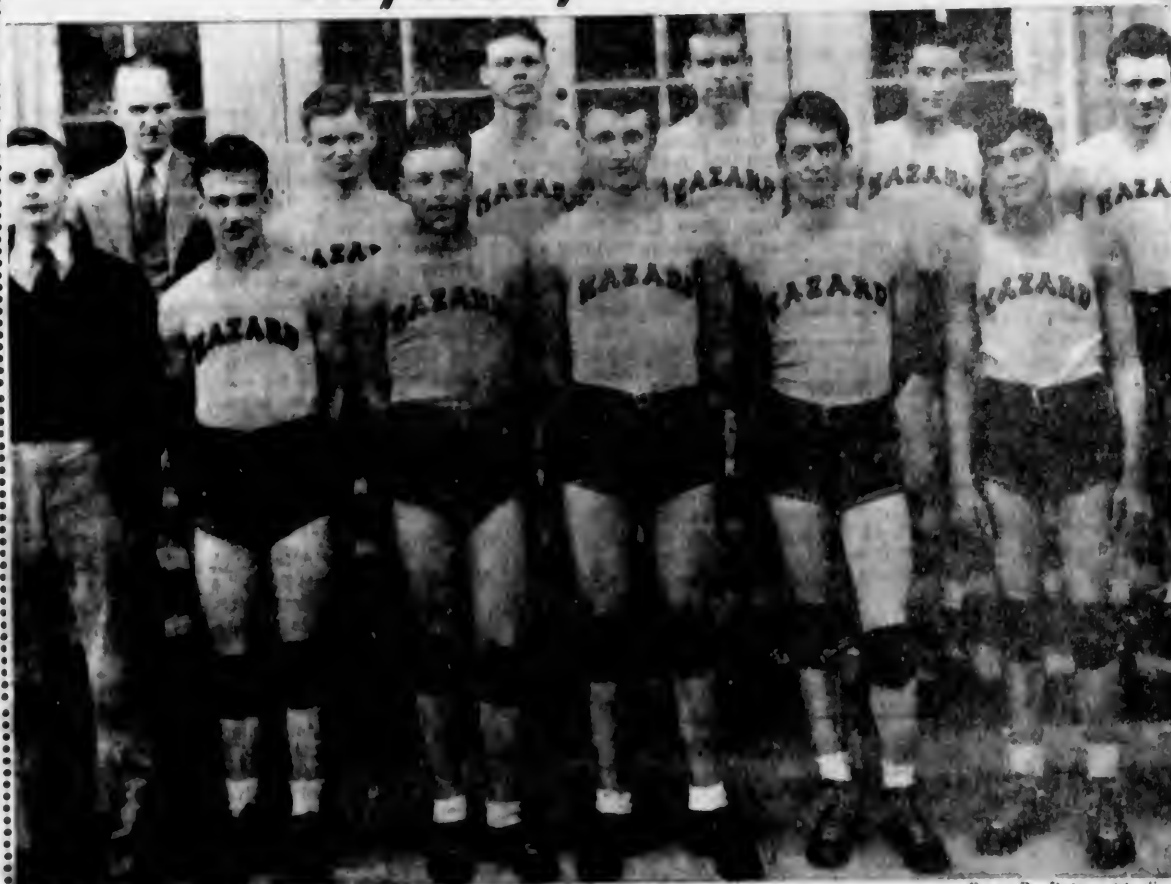

it's made that way

In any field of endeavor, there can be only one best, and Imperial is, far and away, the finest shoe you've ever worn. More than prestige, Imperial is a practical economy. It will maintain its elegance long after your ordinary shoes are discarded. Imperial is a tribute to your discriminating taste.

33 Perry Students At Morehead

Thirty-three students from Perry County are enrolled at Morehead State College for the Spring semester.

They are among 3,513 students who make up the largest Spring semester enrollment in Morehead State College history. The 1965 Spring semester enrollment is up 25% over the previous high Spring enrollment of 3,137 set in 1964.

Morehead's record enrollment does not include those students enrolled at the Breckinridge Training School or the persons who are enrolled in correspondence or extension courses.

Kowan County has the largest number of students with 225 while Boyd County has 142. Greenup 139, Carter 133, Jefferson 126, Floyd 115 and Pike 101.

Students are enrolled from 80 counties, 30 states and 35 students from 12 foreign countries are enrolled.

The students enrolled at Morehead from Perry County are:

Bonnyman—Lois Phelps Carter.

Bulan—Danny Lee McAlarnis, Karen Napier.

Combs—Ellena Robertson Perkins.

Hazard—Sylvia M. Stewart Allen, Yvonne Allen, Carolyn G. Brewer, Robert B. Calitri, Patricia Ann Campbell, Ralph L. Carder, Norma Combs, Barbara Kay Cox, Betty Carolyn Dix, Anna Gabbard, Veronica Lee Gallimore, Ira C. Gayheart, Beverly Anne Hayes, Ronald Von Hayes, Ronald Lee Hurt, Clara Nan Lawson, Paul E. Maynard, Mize Miller, Jr., Jack Robinson, Adolph Sizemore, Johnny Hunter Summers, J. Henry Vermillion, Brenda Lee Walker, Mitchell B. Walker, Patricia Ann Webb.

Jeff—Paul Edward Hall, Charles Bergen Wooton.

Tribble—Barbara Jones Stanfill, Howard Wade Stanfill.

Ellis Buchanan

Finishes Training At Tyndall AFB

Second Lieutenant Ellis G. Buchanan, son of Mr. and Mrs. Frank Buchanan of Bulan, Ky., has graduated from the training course for U. S. Air Force weapons controllers at Tyndall AFB, Fla.

Lieutenant Buchanan, who studied radarscope and manual air defense systems operations, is being assigned to Ft. Lee Air Force Station, Va. Ft. Lee is an installation of the Air Defense Command which defends the continental U. S. against enemy air attack.

A graduate of M. C. Napier High School, Hazard, Ky., the lieutenant attended Western Kentucky State College. He received his B. S. degree from the University of Louisville (Ky.), where he was commissioned in 1964 upon completion of Officer Training School. He is a member of Alpha Epsilon Delta.

Lieutenant Buchanan's wife, Terry, is the daughter of Mr. and Mrs. Virgil Webb of Pres. tonsburg, Ky.

LOTHAIR

Margie McCarty Visits From Chicago

By Frances McCarty

Mrs. Emma Spencer of Chicago, Illinois, was here visiting the following people here: Mrs. C. J. McCarty, Mrs. Arkie Gastineau, and Mrs. Bessie Webb and her brother, Mr. Ray Stidham.

Miss Sheila Watkins was home over the weekend visiting her parents, Mr. and Mrs. Russell Watkins.

Miss Margie McCarty of Chicago, Illinois, was home last week visiting her parents, Mr. and Mrs. C. J. McCarty.

Mrs. Bessie Webb, sister of Mrs. C. J. McCarty, is in the hospital. We wish her a speedy recovery.

Mr. and Mrs. Rile Stidham of Wooton spent last Sunday with Mr. and Mrs. Raleigh Daner.

Mrs. Fanny Davis of Hilton visited her sister, Mrs. Ray Stidham, Sunday.

English Department To Hold Institute

A total of 48 high school teachers will receive an intensive course in English this summer at the University of Kentucky in a National Defense Educational Act Institute. Mrs. Lizette Van Gelder, assistant professor of English, will serve as director. The program is designed for those high school teachers who are spending half or more of their time teaching English, but who are not English majors in college.

20 UK Fraternities Ban 'Treeing' Men

The Interfraternity Council at the University of Kentucky has voted to abolish treeing of fraternity men who become pinned to girls. This action, which previously was considered by the IFC, was prompted for consideration at a recent meeting by a drowning during a fraternity pinning celebration at Georgetown College. The IFC has resolved that no freshman rush will be held next fall. The only rush activities for freshmen next fall will be provided by the IFC in the form of jam sessions.

LEGAL NOTICE HEARING PROPOSED HIGHWAY CONSTRUCTION Pursuant to Section 128 of Title 23 of the United States Code, a Public Hearing will be held Monday, March 8, 1965, at 9:00 A. M. EST, at the Hazard Memorial Gymnasium.

The purpose of this Hearing is to afford all interested persons affected by the construction of the Hazard-Campton Road, F 102 (31), from a point approximately 2.1 miles South-east of Junction KY 476 and KY 28 to a point approximately by 900 feet West of Old KY 80 near Combs, Kentucky, a distance of 6.584 miles, an opportunity to express their views concerning the economic effect the improvement will have on the community. The construction will be 2-lane grade and drain and high type surface.

Plans for this project may be seen at the Jackson District Office of the Department of Highways prior to the date of the hearing and also at the hearing.

—R. A. JOHNSON District Engineer Department of Highways Jackson, Kentucky 2:22:31 c

LEGAL NOTICE HEARING PROPOSED HIGHWAY CONSTRUCTION Pursuant to Section 128 of Title 23 of the United States Code, a Public Hearing will be held Monday, March 8, 1965, at 9:00 A. M. EST, at the Hazard Memorial Gymnasium.

The purpose of this Hearing is to afford all interested persons affected by the construction of the Hazard-Campton Road, F 102 (31), from a point approximately 2.1 miles South-east of Junction KY 476 and KY 28 to a point approximately by 900 feet West of Old KY 80 near Combs, Kentucky, a distance of 6.584 miles, an opportunity to express their views concerning the economic effect the improvement will have on the community. The construction will be 2-lane grade and drain and high type surface.

Plans for this project may be seen at the Jackson District Office of the Department of Highways prior to the date of the hearing and also at the hearing.

—R. A. JOHNSON District Engineer Department of Highways Jackson, Kentucky 2:22:31 c

Compare the 5-year/50,000-mile warranty* on Simca 1000's vital engine and drive train parts

CHRYSLER'S ALL-NEW ECONOMY CAR

with warranties on other economy imports:

VW 6 months or 6,000 miles Renault 12 months or 12,000 miles Fiat 12 months or 12,000 miles Opel 24 months or 24,000 miles

Who's the leader now? Simca 1000. Chrysler's all-new economy car. Great performer, best protected,

HERE ARE THE FACTS: Chrysler Motors Corporation warrants all of the following vital parts of the Simca 1000 for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material or workmanship will be replaced or repaired at an Authorized Simca Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, water pump, intake manifold, Trans-Axle parts and rear wheel bearings. HERE'S ALL YOU MUST DO: Give your car this normal care — change engine oil and retorque the cylinder head at first 600 miles and thereafter change engine oil every 3 months or every 4,000 miles, whichever comes first; clean oil separator every 6 months (spring and fall); clean carburetor air filter every 6 months and replace it every 2 years; and clean the crankcase ventilator valve oil filter cap and change Trans-Axle lubricant every 6 months, or 8,000 miles, whichever comes first; AND every 6 months furnish evidence of this required service to an Authorized Simca Dealer or other Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
